RECYCLE PAPER PROGRAM

We are excited to announce a new office paper recycling program. In our attempt to improve your opportunities to recycle we are making changes to the current office paper recycling program.

What is It?

- Beginning February 1st 2017 all customers will be required to start using a 35 gal. collection cart for office paper collection.
- There will be a cost of \$3 per month to rent each recycle cart and provide the service.
- The pick up schedule will remain the same for your business, either bi-monthly or monthly

Why Are We Changing

- Driver safety is a serious concern, and using recycle carts is safer and requires no heavy lifting of bags. This reduces the risk of injury
- Recycling is an evolving industry, to accommodate the collection, delivery and processing of recyclable material we have adjusted how we service our customers to become more efficient.

Your Options

Please Choose one of the following options:

- Agree to rent a 35 gal. recycle cart for \$3 a month
 - Continue using your current office paper bags & stands and bring your recyclable paper to our recycling location at 2303 11th st. in Tillamook M-F 8-5 and Saturday from 9-3
- * We will not be collecting bags in our new program
